<p>13.b. Is the Business an Employer or Consultant ?</p>	<p>14.b. Amount of payment</p>

Itemization of Item 7A

1. Non-Revenue Airline Travel Passes ("bumpable"). These are passes with boarding priority C4-P. While this boarding priority gives the traveler priority over most other non-revenue travelers (including employees and dependents on pleasure travel), it will not allow the traveler to displace ("bump") revenue passengers or non-revenue travelers with a higher boarding priority (including Company employees on Company business). As such, it is referred to as "bumpable positive space," which, while it does remove a seat from authorized inventory, is in essence standby travel.

In all cases, these passes were used for AFA-CWA business related to Alaska Airlines. The value of the passes (as provided by Alaska Airlines) and the dates on which the travel occurred are as follows:

Date	To/From	Value
February 14, 2005	Denver-Seattle	\$337
February 16, 2005	Seattle-Denver	\$337
May 12, 2005	Denver-Seattle	\$337
May 12, 2005	Seattle-Denver	\$337
May 28, 2005	Seattle-Denver	\$337
June 5, 2005	Denver-Seattle	\$337
July 7, 2005	Denver-Seattle	\$337
July 11, 2005	Seattle-Denver	\$337
October 24, 2005	Denver-Seattle	\$337
October 27, 2005	Seattle-Denver	\$337
November 3, 2005	Denver-Seattle	\$337
November 3, 2005	Seattle-Denver	\$337
Total		\$4,044

Itemization of Item 7A (cont'd)

2. Non-Revenue Airline Travel Passes ("non-bumpable"). These are "no-bumpable" passes, meaning that they held the same boarding priority as a fare-paying passenger. They were used for the last two weeks of June, 2005. AFA-CWA had reached a tentative agreement with Alaska Airlines on May 25, 2005. During these two weeks, the Negotiating Committee (of which I was a member) traveled twice to each of the Alaska Airlines Flight Attendant domiciles (Anchorage, Seattle, Portland and Los Angeles) to explain the new agreement to the flight attendants. The passes were provided by Alaska Airlines to ensure that I was able to attend all the contract presentations, which could not be guaranteed if I were flying in Code C4-P.

In all cases, these passes were used for AFA-CWA business related to Alaska Airlines. The value of the passes (as provided by Alaska Airlines) and the dates on which the travel occurred are as follows:

Date	To/From	Value
June 21, 2005	Los Angeles-Portland	\$275
June 22, 2005	Portland-Anchorage	\$610
June 23, 2005	Anchorage-Seattle	\$565
June 24, 2005	Seattle-Denver	\$337
June 27, 2005	Los Angeles-Seattle	\$286
June 29, 2005	Seattle-Anchorage	\$565
June 30, 2005	Anchorage-Seattle	\$565
June 30, 2005	Seattle-Portland	\$163
July 1, 2005	Portland-Denver	\$339
Total		\$3,705

3. Dinner. Following tentative agreement, May 25, 2005. Estimated value: \$30.
